QUIET AGENCY · INTERNAL ONLY

Full Cost Sheet — Sully's Platform

True economics · donated build · Sully's as flagship test gym

Audience: Quiet Agency internal **Client:** Sully's Boxing Gym (non-profit) **Currency:** CAD (approx.)

Date: August 2026 **CONFIDENTIAL**

Policy: Quiet Agency is *donating* platform build + ongoing product/engineering maintenance. Sully's pays **hosting/infra only** (target under CAD $100/mo). Helcim + QuickBooks are third-party vendor bills (client pays). Use Sully's as the live test bed for the new Boxing Digital Performance Platform.

1. What Quiet Agency absorbs (donated)

Item	Market value (ref.)	QA treatment
Platform build to soft-launch (web, staff, API, TV, owner desk, desk CASH/CARD, docs)	CAD $40k–$80k+ project value	**Donated / waived**
Ongoing Care retain (bugs, deploys, small tweaks, training)	CAD $750–$1,500 / mo	**Waived**
Helcim payment adapter engineering (when scheduled)	CAD $4k–$8k one-time	Donated build labor (client pays Helcim txn fees)
QuickBooks sync engineering (when scheduled)	CAD $2.5k–$5k one-time	Donated build labor (client pays QBO subscription)
Product R&D / platform testing at Sully's	Internal R&D	QA investment — Sully's = flagship test gym

2. Infra Quiet Agency operates (bill Sully's at cost, < $100)

Service	Typical CAD / mo	Notes

Cloudflare DNS / SSL / CDN	$0	
Vercel (www + staff)	$0–27	Hobby demo → Pro if commercial policy requires
Railway (Nest API)	$10–40	Always-on API
Neon Postgres	$0–26	Free until growth
Email / monitoring (if added)	$0–15	Optional
Target bill to Sully's	**$15–80**	**Cap under CAD $100 / mo**

3. Third-party (client pays — not QA fee)

Vendor	Who pays	How billed
Helcim	Sully's	Mostly per-transaction (% + ¢); little/no platform fee
QuickBooks Online	Sully's	Monthly Intuit subscription (separate)

4. Internal P&L view (monthly, soft-launch)

Line	CAD	Notes
Infra cost (QA pays vendors)	~$15–80	Passed through / reimbursed by Sully's
Sully's reimbursement	+$15–80	Hosting only
QA Care retain (waived)	$0 billed / ~$1,000 opportunity	Donated
QA engineering time (platform R&D)	Variable	Book as R&D / portfolio
Net cash from Sully's	**≈ $0 profit on retain**	Hosting wash + donated service

5. Why we're doing this (internal)

- Sully's = non-profit / community gym — align with Quiet Agency values
- Live flagship for Boxing Digital Performance Platform (beyond Glofox-class SaaS)
- Real desk, TV, owner analytics, youth/adult mix → product proof
- Reference case for future paying gyms / franchise rollup

Do not share this sheet with the client. Client pack = "Sully's Cost Summary" (hosting under $100 + Helcim/QBO separate + QA donated).
