FOR SULLY'S OWNERSHIP

Platform Cost Summary

What Sully's pays · what Quiet Agency donates · Helcim & QuickBooks separate

Prepared by: Quiet Agency **For:** Sully's Boxing Gym (non-profit) **Date:** August 2026

Currency: Canadian dollars (approx.)

Partnership: Quiet Agency is *donating* the design, build, and ongoing product/engineering maintenance of this platform. Sully's is a non-profit community gym and the **flagship test site** for Quiet Agency's Boxing Digital Performance Platform. You are **not** charged a Quiet Agency maintenance or software license fee.

1. What Sully's pays each month

Hosting only — under CAD $100 / month

This covers the live website, member app, staff tools, API, and database (Cloudflare, Vercel, Railway, Neon, domain). Quiet Agency operates the stack; Sully's reimburses **actual hosting at cost**, capped under **$100 CAD / mo**.

What	Typical range	You pay?
Website + member app + staff + Floor TV (Vercel)	Included in hosting	Yes (at cost)
API / backend (Railway)	Included in hosting	Yes (at cost)
Database (Neon)	Included in hosting	Yes (at cost)
Domain + DNS (Cloudflare)	Included in hosting	Yes (at cost)
Total hosting target	**~$15–80 CAD / mo**	**Yes — under $100**

2. What Quiet Agency donates (no fee to Sully's)

- Custom platform build (website, member portal, desk, coach timer / TV, owner desk, waivers, family, kitchen path, docs)
- **Maintenance / Care retain — waived** (bugs, deploys, small improvements, guidance)
- Engineering for Helcim + QuickBooks connections when you are ready (you still pay those vendors)
- Ongoing platform R&D using Sully's as the live proving ground

3. Separate vendor bills (not Quiet Agency)

Vendor	Who you pay	What it is
Helcim (card payments)	Helcim	Usually little/no monthly fee — you pay **per card transaction** (% + ¢). Cash desk sales have no Helcim fee.
QuickBooks Online	Intuit	Your bookkeeping subscription — **monthly, separate**. Quiet Agency does not bill for QBO.

Simple picture: Sully's ≈ *hosting under $100/mo + Helcim when cards are used + QuickBooks if you use it*. Quiet Agency software + maintenance = **$0** under this partnership.

4. Why this structure

- Sully's is a non-profit — Quiet Agency is contributing the platform as a donation of services
- Your gym becomes the first live home for a boxing-first system (beyond generic gym SaaS)
- You keep ownership of members, brand, and day-to-day ops; processors stay services
