SULLY'S BOXING GYM · EST 1943

HARD COSTS TO RUN THE APP

What the app costs to keep the lights on

November 2026. These are list prices, not an invoice. Confirm each one on the bill. Gym rent, coaches, and Quiet Agency are not in this sheet. Amounts are USD unless the domain line says otherwise.

Domain sullys1943.com

Cloudflare, paid once a year. Not monthly.

$1 / mo
$12–15 / yr

Member site and staff site

Vercel. Hobby is $0. A live business usually sits on Pro, one seat, both sites.

$0 or $20 USD / mo
$0 or $240 USD / yr

API

Railway. Budget the low end for this gym. Usage can move it.

$5–20 USD / mo
$60–240 USD / yr

Database

Neon. Free while the gym is small. Pay when it needs to stay on.

$0–19 USD / mo
$0–228 USD / yr

Text and email alerts

Not a hard monthly fee. Each text is extra when you turn it on.

$0 until on / mo
Per message / yr

Helcim card charges

No monthly app fee in this sheet. The terminal is equipment you already ordered.

$0 software / mo
Percent of the charge / yr

Hard floor

About $6 to $40 USD a month once the sites are on a paid plan, plus the domain once a year. On the free tiers the app can sit under $25 a month, which is the demo budget already written for this project. Card fees and text messages are not in that number.

Boxing is the engine. People are the purpose. Character is the legacy.
